New Whirl on Playground

We are happy to announce that there will be a new piece of equipment on the school playground just before the start of summer camp, a Whirl. Many of you will remember the old Merry-Go-Round that we had to remove per recommendation of our insurance company. Fortunately, they are now made with safety features built in. So, weather permitting, students will be able to enjoy this new piece of equipment soon!

The Whirl will be funded by grants from the Walter Cerf Community Fund of the Vermont Community Foundation and the Vermont School Board Insurance Fund, as well a donation from FOLCS and a person who wishes to remain anonymous. Additionally, the members of FOLCS have agreed to spread the peastones, which Carrara's is providing at a significantly reduced cost, around and under the Whirl. If you will be available to help them with this spreading project, call Heather Laporte at 247-8187.

Shine like a *Legend* and wear your tee-shirt on Tuesday, June 11, when we go bowling!

Let's let everyone know:
LEICESTER LEGENDS SHINE!

Celebration of Contributions

This is the third year, RNESU has taken the time to celebrate the contributions of teachers and support staff throughout the supervisory union. This year three members of the LCS staff were recognized: Mary Barron, music teacher, Deb Bonanza, special educator, and Diane Randall, administrative assistant. These three individuals give tremendously to our school and students. They are generous and compassionate people with high levels of professionalism. Our school is a better place because of their contri-

butions—thank you Ms. Barron, Mrs. Bonanza, & Mrs. Randall!

Congratulations to...

Janice Ryan (Moriah Lucia's great grandmother) winner of the our Summer *Alive* 50/50 raffle— \$282.50!

Good-Byes

At the end of a school-year we always have to say good-bye to a few members of our stellar staff. Mrs. Mitchell will be leaving and working over at Otter Valley next year. Although we will miss her here, she is excited to greet Leicester students again at OV! Next year we will welcome special educator Kyle O'Brian who will mostly work with our older students. Also, co-principals Kate Grodin & Carol Eckels are moving on. Ms. Grodin will be the assistant principal at Winooski Middle & High School and Mrs. Eckels says she is retiring! Mr. Earl Corey will be principal at Leicester next year.

See you at the school picnic, Thursday June 11 at 11:30!

Rest up, Legends, because Summer *Alive* is around the corner! It is going to be lots of fun!
