Drop-off Reminder

A gentle reminder for families who drop off their children to please enter the circle near Route 7 and park in the circle whenever possible. It is important to keep the long driveway clear of vehicles and it is not safe when cars back up to pull out from the Park & Ride. Safety of Leicester's children is our paramount concern. Thank you for your cooperation.

School Snack

On Mondays, Wednesdays, and Fridays Leicester is able to offer free snack through the Fresh Fruits and Vegetables Grant. On Tuesdays and Thursdays, however, snack is .50 and includes a milk or cheese stick, fruit, and crackers or pretzels. Students may bring a snack from home too, but no candy or soda please.

United Way Days of Caring

On Saturday, September 22, Leicester will host 10 volunteers from Middlebury College to paint the long hallway. Distinctive Paint & Interiors is generously donating all the paint and painting supplies. We are, however, looking for some drop cloths to borrow. If you have a drop cloth that we could borrow please let us know and bring it in!

Student/Family Handbook

Our current Student/Family Handbook is now available online. Go to <http://leicester.rnesu.org> and click on "Parent Resources" to find it. As required by law, we must bring to your attention the Prevention of Student Harassment Policy, which is described in the handbook. If you cannot access the handbook online, we would be happy to print one for you. Please call the school with any questions you may have.

Dinner & Open House

An enormous thank you to FOLCS who cooked, served, and cleaned up a wonderful spaghetti supper! It is a wonderful way to start our year together and it is much appreciated. We hope families enjoyed a relaxed atmosphere to meet faculty and visit classrooms, too.

If you have not filled out a survey, please do! This survey helps us to plan extended-day opportunities for your children that suit your family's needs. Surveys are available on the table near the principals' office.

How does your child shine?

At Open House, parents and families were encouraged to share with us how their children shine in and out of school. We will share a few each week until we are done! Thank you for your responses!

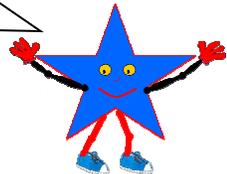

My child shines...

in gymnastics.

because s/he is always thinking outside the box and always thinks of others' feelings!

with a smile on his face all the time, polite and respectful.

Have you practiced the Legend Clap this week?
