New Arrival/Dismissal Procedures November 1

Please remember we will begin our new traffic pattern for the arrival and dismissal of all students on Thursday, November 1. We thank you in advance for your attention to this change and flexibility as we inevitably tweak it until it is right.

Can't find your map of the new procedures?

Go to <http://leicester.rnesu.org> and click on the bus!

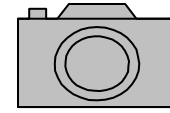

Student Involved Conferences

Last year Leicester had tremendous success with Student Involved Conferences. This means that at what are traditionally called "Parent/Teacher Conferences", students are actually present and lead the conference. The goal is to unite student, classroom, school & home together in *productive critique and celebration of learning*. On the back of this news letter is our chart of roles and benefits for students, teachers and families. A reminder that we ask siblings not attend the conference; we will have childcare available at the school. Also, both parents and/or caregivers are encouraged to come! This is a time to really see your student shine!

Today is Fun Friday!

Almost the entire school is heading over to Foxcroft Farm for the Leicester Harvest Carnival! This is sure to be a spectacular event. FOLCS prepared a variety of activities and we are grateful for this opportunity to celebrate our community! Great pictures are promised for our next newsletter!

Picture Retake Day is Thursday, November 1

Remember Open House?

As promised, here are a few more quotes from families about when they see their children *shine*! We know Legends learn and shine in and out of school!

Getting something started and then being very creative while building on it.

Enjoys being in school with peers.

Very vibrant and pleasant to be around. Also, an amazing artist with a creative mind.

My child(ren) always go for the "challenge" question on their math homework, even though they don't have to!

Have a safe and happy Halloween!

Please note, costumes should stay home on Wednesday!

Important DATE!

Mark Your Calendars
