

Classroom News from the Pioneers

October 14, 2016

Greetings Pioneer Families!

October is off to a great start! We have learned about so many great jobs in our local community, had an amazing trip to Shelburne Museum, and enjoyed another trip to Foxcroft Farm.

Have you asked your child...

*Who came to visit school this week? (the Brandon Firefighters! We got to ask them questions, learn about fire safety, and even got to spray the house to put out a pretend fire!)

*What types of jobs in the community have you learned about so far? (teachers, construction workers, firefighters, and how people/farmers lived long ago).

*What is new at Forest Friday? (we're learning about living and non-living things, building fairy houses, pretending to be turtles, and hunting for beavers).

Reminders and Events:

*On **Tuesday, October 18th** we will be going to **Castleton University** to see *Toying with Science*. Pending weather, this will be an all day trip.

*On **Tuesday, October 18th** William Powers Jr. will visit the school from **6:30-7:30** to discuss Silver Lake. We would like all families and students to join us!

*On **Thursday, October 20th** we will visit **Gildrien Farm & Blue Ledge Farm**.

***NO SCHOOL** on **Friday, October 21st**.

*Our first **Family Night** will be on **Thursday, October 27th** from **5:45-6:45** at the school.

*We **do not** participate in the Halloween parade. Please do not send your child to school with a costume. If you would like to donate a special treat for Halloween, please check with me first.

As always, if you have any questions feel free to contact me. Enjoy the weekend!
